

Education

2022-2025	DAV COLLEGE , JALANDHAR Bachelor of Computer Applications	
2021-2022	12 th (SeniorSecondaryExamination) Central Board of Secondary Education	70%
2019-2020	10 th (SecondaryExamination) Central Board of Secondary Education	60%

Internships & Trainings

Dec 2024 - Feb 2025	Web developer , Trainee AT Microsoft Learn Student Ambassadors <ul style="list-style-type: none">I learned various new concepts related to web development, especially focusing on front-end development.I gained hands-on experience with core technologies like HTML, CSS, and JavaScript, along with exposure to modern frameworks and best practices.This training helped me strengthen my web development skills and prepared me to work more efficiently on real-world projects.
---------------------	---

Academic Projects

Sep'24	Responsive Portfolio (Personal Project) <ul style="list-style-type: none">Developed a dynamic and fully responsive portfolio website using HTML, CSS and JavaScript.Ensured cross-device compatibility by leveraging CSS Flexbox, Grid, and media queries, showcasing my proficiency in modern frontend design principles.
Jan-Mar'25	Ai Virtual Assistant (B.C.A Project, 6 th Semester) <ul style="list-style-type: none">Used techniques like HTML, CSS, and JavaScript, integrated with various APIs to enable real-time interaction.This project demonstrates my ability to work with frontend technologies, APIs, and real-time data handling.The assistant currently works without a backend, relying directly on APIs like Google's APIs to deliver instant responses to voice or text prompts.
Apr-May'25	Social Media Webpage (Hackathon Project – CodeCircuit) <ul style="list-style-type: none">Built a prototype of a social media platform during a 24-hour hackathon, focusing on user profiles, posts, and real-time interactions.Designed and built a frontend-only social media interface with dynamic animations, interactive posts, and a modern UI using HTML, CSS, and JavaScript.Features included smooth transitions, a simulated "like" button with real-time counters, and a responsive layout that adapts to all screen sizes.
